 Deck / Eaves 14 m² / 37 m²
 Total Footprint 156 m²

One Metre 
 Scale Ratio 1:100

Habitat reflects the craft of modernist architecture for contemporary living.

The Habitat's cathedral-style ceilings rise to 3.4 metres, bringing a generosity of space to the rooms, and reflecting the sculpted exterior form.

This two-module design thoughtfully incorporates a full-width open kitchen, dining and living spaces to create a plan that effortlessly opens up to the outdoors; sitting beautifully within a country or beach setting.
