

Environmental Policy

Version Number: 3.0 Issue Date: 21 October 2021

A Policy Commitments

Prebuilt recognizes its general environmental duty to protect the environment and human health.

Prebuilt is committed to build and manage sustainably by mitigating and managing the environmental risks and impacts associated with our business activities.

Prebuilt is committed to ensuring that our contractors and sub-contractors share our business environmental values.

B Responsibilities

Prebuilt management will:

- Ensure compliance with legislative requirements and current industry standards.
- Systematically identify, mitigate and manage the environmental aspects of our operations that we control or influence across the project lifecycle.
- Monitor and reporting on key environmental indicators to promote the continual improvement of our environmental performance and preventing of pollution.
- Provide our employees with the information, training and support necessary to meet our environmental performance objectives.
- Work with our suppliers to ensure they understand, commit to and meet our standards for environmental management.
- Maintain an integrated management system (IMS) that conforms to ISO 14001:2016 Environmental Management Systems, including the setting of environmental objectives and targets and continual improvement.

Staff will:

- Take into account significant environmental impacts when designing, manufacturing and installing our buildings.
- Specify the use of materials that comply with Australian Standards and timber that is sustainably sourced.
- Engage with our clients to identify and seek to address their environmental needs and concerns and to encourage the selection of more environmentally friendly building products.
- Plan work activities with due consideration given to environmental duties to minimize harm to human health and the environment.
- Follow environmental processes, procedures, instructions and rules.
- Report environmental hazards and incidents and provide feedback on opportunities for improvement.

C Application of the Policy

This policy applies to Prebuilt Residential and Prebuilt Commercial.

Prebuilt provides this policy to all contractors, sub-contractors and other interested parties on request and it is available on our website.
