

Quality Policy

Version Number: 4 Issue Date: 12/8/2024

A Policy Commitments

Prebuilt designs, manufactures and installs buildings/structures for residential and commercial use. Prebuilt recognises its responsibility to meet all client expectations within a construction environment.

This commitment extends to ensuring that the organisation's operations do not place any stakeholder at risk from the activities undertaken. All building and relevant legislation will be adhered to and reviewed for updates.

Prebuilt is dedicated in combatting climate change through the reduction of greenhouse gas emissions.

B Responsibilities

Prebuilt Management will:

- Maintain an integrated management system (IMS) that conforms to ISO 9001: 2015 Quality Management System, including the setting of Quality objectives and targets and continual improvement.
- Understand the needs of the client.
- Provide written procedures and instructions to ensure consistent systems of work.
- Ensure compliance with legislative requirements and current industry standards.
- Provide information, instruction, training and supervision to office staff, workers, supervisors and subcontractors to ensure they are able to suitably perform their duties.
- Provide and maintain resources to meet the company's quality commitments and meet our objectives and targets.
- Promote continual improvement at all levels of the workforce.
- Maintain and improve customer satisfaction.
- Encourage and support the design and procurement of products that assist in reducing greenhouse gas emissions through the product life cycle.

Each Department manager will:

- Implement this policy in their area of responsibility.

Staff will:

- Follow all policies and procedures in our IMS.
- Ensure client satisfaction
- Provide feedback to management on non-conformances and opportunities for improvement
- Consider climate change impacts, including greenhouse gas emissions generated during the product lifecycle, in the design and build processes.
-

C Application of the Policy

This policy applies to Prebuilt Residential and Prebuilt Commercial.

Prebuilt provides this policy to all contractors, sub-contractors and other interested parties on request and it is available on our website.
